Kemp A. Boyd is currently employed by Pastoral Counseling Service of Summit County, a mental health and addiction treatment organization in Akron. In 2013, he was promoted to Director of Outpatient Services of PCS, he led the charge to develop and oversee operations of the Vassel Comprehensive Care Center, PCS' outpatient mental health clinic. With over a decade of leadership experience in the cultivation and motivation of staff and clients, Kemp empowers those around him to reach their full potential, including the young men at Kenmore-Garfield High School where he serves as head football coach. Kemp and his wife Stacy reside in the Kenmore community in west Akron. Their family consists of five (soon to be six) beautiful children: Virginia (11), Asa and Ashlynn (8), Majer (4) and Umari (8 months).
